PACKING & LUGGAGE

FOR CAMPERS TRAVELING BY PLANE WITHIN THE US:

- Due to FAA regulations and increased airport security, the airport restricts luggage of large groups. Campers flying to camp will need to ship all luggage except carry-ons. When campers arrive their luggage is waiting for them - a very comforting sight! (Pack one day's clothing and toiletries in case baggage is delayed.)
- Remember, even airlines are charging for luggage nowadays.
- You will provide us with labels for sending your child's luggage back to you after camp. Please see the 'Airport Luggage Procedure' document sent to you upon enrollment via email for more information on creating labels and schedule shipments.

FOR CAMPERS TRAVELING BY PLANE FROM OUTSIDE THE US:

- You may bring luggage with you.
- We will provide bedding: sheets, towels, blankets and a pillow.

NOTES ON LUGGAGE:

- You are allowed 2 duffels or soft folding bags that can be stored flat are permitted.
- Bring 1 backpack or carry-on.
- We will not accept trunks, suitcases or boxes.
- Attach luggage tags with your child's name, address and phone number outside and inside each bag.

NOTES ON PACKING:

- Storage space for clothing is very limited - please follow the suggested guide.
- You need only ten days of clothing; we do laundry once a week and return it the same day.
- We recommend that you don't purchase new clothes for camp - they will probably not fit by the end of summer!
- Send color-fast items only; wash all new clothing before packing.
- Do not send anything delicate or that requires special attention. Our dryers are HOT!
- Bring a small mesh laundry bag for socks.
- All clothing must be plainly marked with the camper's name using a nametag or indelible ink
- Label all extra articles such as tennis racquets, soap dishes, etc.
- All liquids should be put into Zip-Lock bags.
- Portable games, handheld games, Mp3 players and iPods are allowed, but keep in mind that Camp Shane is not responsible if they are lost or damaged
- If you have trouble finding certain items for camp, you may wish to purchase them from companies listed on our website under 'Enrolled Families' → 'Useful Information'

WHAT NOT TO BRING

- Cell phones are not permitted and will be confiscated. This is strictly enforced (except for ages 17+).
- No food items including bottled water, Crystal Light, and gum.
